

Free Euro 2008 Sweepstake Kit

Here is all you need for your European Championships sweep stake, whether in the office or just with your mates. Simply print this page and the cut along the dotted lines.

You'll then have all sixteen teams read to drop into a hat or box of whatever you have lying around, ready for everyone to pull out their teams. Use the handy form on page two to make a note of who got which team and whether they have paid yet.

Feel free to email this pdf to anyone you think might find it useful for their own sweepstake.

If you have a website or blog please [link to the sweepstake](#) and spread the word!
